## BURGUNDY BY THE BOTTLE

### BURGUNDY, FRANCE

While our first love in wine will always be Italy, we are continually seeking wine experiences that provoke and inspire us. In addition to the great Italian wines that comprise the majority of this book, we are thrilled to have the opportunity to present you with a focused list of wines from a region that has been a consistent source of inspiration to us (as well as to many of our favorite Italian winemakers): Burgundy. We encourage you to engage our sommeliers on what makes each wine listed here so special to us, and to explore some of the world's truly great wines beyond Barolo and Barbaresco!
